DISTINCTIVE STAMPS.—The law requires that on and after January 1, 1913, the postage on all matter of the fourth class must be prepaid by distinctive parcel post stamps affixed (see sec. 3). Postmasters cannot receive for mailing parcels that do not bear such stamps.

Parcel post stamps are not valid for the payment of postage on matter of the first, second and third classes, and, when used for that purpose, the matter to which they are affixed shall be treated as "Held for postage," as prescribed in section 9.

PREPARATION FOR MAILING.—Parcels must be prepared for mailing in such manner that the contents can be easily examined. (See secs. 19 to 37, inclusive.)

A parcel must not be accepted for mailing unless it bears the name and address of the sender, preceded by the word "From."

Postmasters will refuse to receive for mailing parcels not properly indorsed or packed for safe shipment.

WHERE MAILABLE.—Parcels must be mailed at a post office, branch post office, named or lettered station, or such numbered stations as may be designated by the postmaster, or delivered to a rural or other carrier duly authorized to receive such matter.

Parcels collected on star routes must be deposited in the next post office at which the carrier arrives and postage charged at the rate from that office.

INSURANCE ON PARCELS.—A mailable parcel on which the postage is fully prepaid may be insured against loss in an amount equivalent to its actual value, but not to exceed \$50, on payment of a fee of 10 cents in parcel post stamps, such stamps to be affixed.

UNMAILABLE MATTER.—The following matter is declared nonmailable by law (see secs. 211, 212 and 217 of the Criminal Code of the United States, approved Mar. 4, 1909):

1. Matter manifestly obscene, lewd or lascivious; articles intended for preventing conception or for procuring abortion; articles intended for indecent or immoral purposes; all matter otherwise mailable by law, the outside cover or wrapper of which bears any delineations or language of a libelous, scurrilous, defamatory or threatening character.

Spirituous, vinous, malted, fermented or other intoxicating liquors of any kind; poisons of every kind, and articles and compositions containing poison (except as prescribed in sec. 19); poisonous animals, insects and reptiles; explosives of every kind; inflammable materials (which are held to include matches, kerosene oil, gasoline, naphtha, benzine, turpentine, denatured alcohol, etc.); infernal machines, and mechanical, chemical or other devices or compositions which may ignite or explode; disease germs or scabs (except as prescribed in sec. 36); and other natural or artificial articles, compositions or materials of whatever kind which may kill or in any wise injure another or damage the mail or other property.

Pistols or revolvers, whether in detached parts or otherwise; live or dead (and not stuffed) animals, birds or poultry (except as prescribed in secs. 29 and 34); raw hides or pelts, guano or any article having a bad odor shall not be admitted to the mails.

A parcel post map and guide for determining postage rates may be obtained by remitting 75 cents by money order to the chief clerk, Post Office Department, Washington, D. C.

Be careful to specify the city or town where the map is to be used.

Waterbury and Hamden, Conn.

You need this book

You *need* the 1913 Newark City Directory.

Whatever we *need* we *pay for*, whether we buy or not. He who *needs* a City Directory *pays for it* in one way or another.

To be sure, the man who doesn't subscribe to the City Directory *saves* six dollars, but how much does he *lose*? He loses time and time is the *chief* method of reckoning money and value.

You install a telephone, buy a typewriter, invest in an adding machine, because *you need them*. Why do you *need* the telephone, the typewriter and the adding machine? You *need* them because they *save time*. By *saving time* we lengthen life.

You don't *go across the street* when you want to telephone, *why* should you do so when you want to use the Directory?

The City Directory costs you less than two cents a day. Can you *afford* to be without it?

What It Contains

The information in the City Directory is divided into five sections, arranged to facilitate quick reference.

The **GENERAL DIRECTORY** contains the names of all male inhabitants over 20 years of age, women engaged in professional or mercantile pursuits and all active business enterprises; a total of 170,000 NAMES.

The **STREET DIRECTORY** gives the location of each street and shows what other streets run from or across it, with the number at which they intersect. Lists of the Public Parks, Public Halls, Theatres, etc., follow. A large, up-to-date MAP, colored according to the new ward divisions is inserted opposite the title page.

The **CLASSIFIED BUSINESS DIRECTORY** comprises 1,200 headings under which every firm or individual in business is properly entered and a list of the active local **CORPORATIONS**, amount of capital stock, officers and date of incorporation.

The **MISCELLANEOUS SECTION** contains a record of the City Government, the names and officers of Churches, the name, time and meeting place of Social Clubs, Societies and Building and Loan Associations, the names of Teachers in the Public Schools, information concerning the Hospitals, a Fire Alarm Telegraph list, time and closing date of mails and details of the new Parcel Post.

The **EDUCATIONAL SECTION** is devoted to display advertising, 1,250 firms and individuals are herein represented and tell you **WHO** they are, **WHERE** they are, and **WHAT** they have to sell.
